ORDER

In G.O. No.Ms.5010 Development dated 23-11-1944, Government sanctioned an expenditure of Rs.600/- for the purchase of office and laboratory furniture and miscellaneous laboratory equipment for use in the Vegatative Propagation Section. The Director, Cinchona Department has now reported that the actual expenditure on the purchase of articles of furniture such as chairs etc., and an iron safe for the office of the Vegetative Propagation Superintendent has come to Rs.829/-. The increase in the expenditure is due to the purchase of an iron safe, which was not included in the original estimate and also due to the high cost of the articles now prevailing in the market. His Excellency the Governor of Madras sanctions the excess expenditure of Rs.229/- (Rupees two hundred and twenty nine only) over the original sanctioned amount of Rs.600/- incurred by the Director, Cinchona Department.

2. His Excellency the Governor of Madras also sanctions an expenditure not exceeding Rs.820/- (Rupees Eight hundred and twenty only) for the purchase of additional furniture and laboratory equipment for use in the Vegetative Propagation Section as detailed below:-

(1) Laboratory Table, Artists table, etc.,	Rs.420
(2) Miscellaneous Laboratory equipments such as spirit lamp, test tubes reagent bottles, funnels etc	Rs. 400
Total	820

3. The expenditure should be debited to the head "72 Capital Outlay on Industrial Development - a. Cinchona." One third of the ~~xtx~~ total cost incurred on the purchase of equipment and furniture should be recovered from the Government of India towards their share of contribution for the Vegetative propagation scheme. The Director, Cinchona Department, is requested to take steps to provide additional funds for this item of expenditure in 1948-49, if necessary.
